

...GLOBAL EXCHANGE....

What is Global Exchange?

Member schools can have a **FREE** visit from an international professional working in Kent. The visitor talks to the children generally about life in their country, or can answer questions around particular themes, for example schools, childhood and transport.

How Does it Work?

If your school is a member, contact us at least 4-6 weeks in advance to book your visitor. We have volunteers to cover many countries. It is helpful to give the children plenty of ideas for questions.

Case Study

Cathy and her visitor, Claudia.

Global Exchange at Elham School

After the visit

Cathy said...
'Claudia's visit was a total success... the way she responded to their questions was brilliant... It is a big target for my future classes to meet people from 'other' cultures and for the children to realise that they are just people... It challenged the children's stereotypes in a uniquely powerful way.'

Claudia said...

'Just to let you know that I went this morning to the school in Elham, and it was fantastic! I loved that they came closer and closer to me and I've already asked my relatives for more materials from Mexico for my next visit!'

Call 01227 766552 to arrange your visit.
